

BRIEF REPORT

2016 - 2022

Directorate of Training & Placement
Sardar Vallabhbai Patel University of
Agriculture & Technology Meerut-250110 U.P.

Directorate of Training & Placement

Besides conventional education, country is progressing towards professional education so as to produce trained and skilled professionals in all walks of life. The agricultural sector has been high on the government's priority list as it plans to focus on long-term investments and supporting farmers either by additional income or financing arrangements. This will open some new dimensions and job opportunities for students related to agriculture and allied subject like, animal husbandry, poultry, fisheries, horticulture, post-harvest management, farm mechanization and biotechnology as well. Directorate of Placement is focusing on wider and far-sighted perspective to provide proper guidance, know-how of the job support unities in the field of Agriculture and allied areas and to assist the prospective students. The directorate firmly believes in strengthening the students to the extent that they find and grab the jobs of their choice. We focus mainly on making students capable in preparing impressive resume, interactive group discussion, eye catching interview performance to explore jobs in agriculture and allied sectors like banks, fertilizers, pesticide, farm machinery, seed industries, animal feed and nutrition, floriculture, biofertilizer veterinary pharmaceuticals, sugar industries etc. The need of time is to avail ICT facilities to explore the possibilities of jobs and to interact with organizations. Besides this, startup is the best alternative for agriculture and allied subject students. Directorate of Placement has created all required facilities for conducting group discussion, interactive meeting and interviews by any organization with help of ICAR grant.
