

## B. Faculty:

1. **Name and Designation:** Dr. Rashmi, Professor and Head
2. **Photo:**

3. **Highest Qualification:** Ph.D, Post Doctorate
4. **Specialization /Area of Interest:** Phytochemistry/Natural Products Chemistry, value addition of agriculture biomass / non wood forest products for the benefit of farmers/rural people and society.
5. **Contact Details (Mobile and E-mail):** +91-9412318839, rashmi@sypuat.edu.in, sehrawat822gmail.com.

6. **Brief Profile:**

Dr. Rashmi presently working as Professor & Head, Department of Basic Science at Sardar Vallabh Bhai Patel University of Agriculture and Technology, Meerut, India. Prior to this, she was a Senior Scientist at Chemistry and Bioprospecting Division, Forest Research Institute, Dehradun, India. She has received doctorate degree in Natural Product Chemistry from Chemistry Division, Forest Research Institute, Dehradun, India. She is a recipient of prestigious Daiko Foundation Fellowship, Japan and completed her post doctorate from Kinjo Gakuin University, Nagoya, Japan in 2009. She is having more than 20 years of research and teaching experience. Her research interest is focusing on Phytochemical investigation of medicinal and aromatic plants, essential oils, fatty oils, biopesticides and value addition of waste biomass into biodegradable entities. She has been conferred by Scientist Assistance Programme (SAP) Award from International Union of Forestry Research and Organization (IUFRO), Vienna, Austria and Young Scientist Awards by National Scientific organization, India. She has worked on a number of international and nationally funded research projects and developed green technologies/products. She has been granted patent as well. She has authored/co-authored more than sixty research papers that reflect her research interests in diversified field of natural product chemistry. She is honorary member of professional societies.
