Action Taken Report_ Student's Feedback

2021-22

Feedback	Action Taken
Furnitures, Books, and Internet are needs to strengthen in central library	• Action has been taken to strengthen the newly established central library with desired essential facilities. More than 200 books were purchased.
Besides essential courses, value-added courses should be introduced so that students gain first-hand experience related to the practical needs of their chosen fields during their course period	• Instruction has been given to Officer In-charges of Mushroom Production Unit, Bioagent Production Unit, Fisheries Research and Training Center, Poultry Research and Training Center, Food Processing Unit etc to start value added courses
Need to improve skill set of faculty members to optimise ICT enabled teaching	• Effective use of ICT (video conferencing, smart class rooms etc) were enhanced through in-house training sessions.
More assignments and presentations to be encouraged to improve the cognitive and communication skills of the students.	• Students are motivated to do more assignments and presentations, as part of their curriculum. Organised special session for improvement of communication skill
Organise training sessions on new teaching methods and upcoming subject areas	• Organised faculty development programmes and national workshop on Surgery, Livestock Development and their diseases.
Additional Instruments and chemicals are required in laboratory for practical classes and research work	• To strengthen the research and practical classes instruments like ICP AES, spectrophotometer, PCR, flame photometer etc and required chemicals and glassware have been purchased and available for students.
