Sir

I would like to state that Deep Freezer (Vestfrost make) is not working in the Department of Veterinary Physiology and Biochemistry and its repair is very important for the storage of chemicals, samples etc at -20°C . I called the local supplier of the instrument M/S Modern Scientific Industries; service engineer inspected the Deep freezer and provided the estimate of Rs. 6490 for the repair of the same (estimate attached as flag-A). Therefore, kindly accord the administrative and financial approval of Rs. 6490 from the Dean's Budget for the repair of the above mentioned Deep freezer.

Dean Veterinary

The Honorable Vice-Chancellor sir during his visit to the Department of Veterinary Public Health & Epidemiology had instructed to make arrangements for repair of the non-functional deep freezer. In this regard the concerned dealer (M/s The Modern Scientific Industries, Meerut) was informed and has submitted an estimate of the cost to be incurred for filling the gas in the deep freezer. The estimate of the same has been attached (Flag A).

It is therefore requested that you may kindly accord financial and administrative sanction of Rs. 6490/- from Dean Sanction budget for repair of the same.

Submitted for your kind approval please.

Head/Dean (Biotech)/Director Research/Comptroller/ Hon'ble Vice Chancellor

Sir,

A Sanction of 12,36,384 [Twelve Lacs Thirty Six Thousand Three Hundred Eighty Four Only] was sanctioned by the Department of Biotechnology, Govt. of India towards equipments/ softwares/ training material for the strengthening of BIF, SVPUAT, Meerut for financial year 2018-2019 [Flag "A"]. During 2013-2014, A CLC Genomics workbench was purchased for Bioinformatics analysis. A plug-in software with CLC workbench named 'Blast2Go PRO' was purchased in 2016-17 as per note sheet page number 73-76, as Proprietary item, which is going to be expired in Feb, 2019, this software is required and not available freely and needs to be purchased. The detail specifications of the Blast2Go PRO bioinformatics software are as follows:-

- Salient features of Blast2Go [Flag 'B']:
- Blast2GOs 3-Step annotation procedure to generate high-quality functional labels
 - Graphical Gene Ontology data mining
 - Perform Enrichment Analysis
 - Basic statistics and charts for all major analysis steps
 - Work with multiple datasets in parallel
 - Select subsets of sequences based on its biological functions, names, et al.,
 - Many different Blast options (CloudBlast, AWS, Local)
 - Fast Blast2GO PRO GO Mapping
 - Run RFAM analysis
 - More Annotation features (taxa filter, validation, etc.)
 - Advanced statistical charts to summarize your data analysis results (WordCloud, TreeMaps, etc.)
 - Advanced Graph Visualization (Color Graphs, Export SVG/PDF, etc.)
 - Use a local Blast2GO database installation
 - Seq. Toolbox (batch rename, find duplicates, etc.)
 - More data-export options (customizable fasta, annot and generic data formats, fasta
 - Sequence and annotation import via BioMart (Verteb., Metazoa, Plants, Protists, Fungi)

Sir, Towards purchase of Blast2Go PRO approx. cost incurred will be Rs. 1,98,228 [One Lacs Ninety Eight Thousand Two Hundred Twenty Eight only] Flag "C". Blast2Go software is Proprietary software developed by Biobam Bioinformatics S.L., Avenida Peris y Valero 87-19, 46006 Valencia, Spain. The letter is attached as flag as 'D'. The software is exclusively designed and used for Bioinformatics analysis. The Software is to be purchased through authorized dealer of Biobam Bioinformatics S.L., Avenida Peris y Valero 87-19, 46006 Valencia, Spain in India i.e. Neogen Informatics (A121, Vikas Marg, New Delhi) [Flag 'E'].

Sir, If agreed, administrative and financial sanction of Rs. 1,98,228 [One Lacs Ninety Eight Thousand Two Hundred Twenty Eight only] may kindly be accorded towards purchase of Blast2Go PRO software as a Proprietary item from Biobam Bioinformatics S.L., Avenida Peris y Valero 87-19, 46006 Valencia, Spain through their authorized dealer Neogen Informatics, Address: A121, Vikas Marg, New Delhi. The fund is available in the BIF project during financial year 2018-2019.

Submitted for your kind approval.
